Terry asked if there were any errors or omissions in the Oct. 14 minutes, none were identified and the minutes were adopted.

### **Business arising from the minutes**

#### **Signage to Remind Ice Fishers to remove litter**

Bob Gourlay presented a proposal for the copy on the ice fisher signage. After some discussion the copy was revised to read:

Terry volunteered to approach a local sign company to have 6 signs manufactured. Approximately 25" w X 30" h.

#### **Placement of Large TLWI road signage.**

Bob Gourlay reviewed the by-law related to placing signage in the RM of Parkdale. Of note is that the signs could not be placed on the right-of-way and not more than two signs are allow per quarter. There is a clause that restricts the size of the signs, but it was unclear and Bob Gourlay would research it further.

**Meeting Adjourned: 8:00 P.M.**

#### **Next Meeting**

Terry will notify board of next meeting by email.
